PETITION TO WITHDRAW HOLDING OF ABANDONMENT
PURSUANT TO 37 CFR 1.181

Commissioner for Patents
Mail Stop Petition
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the Notice of Abandonment for failure to respond the Office Action, which was mailed to Applicant's counsel on December 1, 2004, with respect to the above-identified application.

Applicant respectfully petitions to withdraw the holding of abandonment pursuant to 37 CFR 1.181, based on the following evidence. Upon receipt of the Notice of Abandonment, Applicant's counsel searched its records and found that the last Office Action (Paper No. 14) (herein "the Office Action") was mailed to Applicant's counsel on February 17, 2004. In response to the Office Action, Applicant filed a response on May 17, 2004, via facsimile.

Presented herein as evidence (Exhibit A) that the Response to the Office Action was properly mailed within the time limits prescribed under 37 CFR 1.134, and evidence (Exhibit B) that the Patent Office properly and timely received the Response.

Exhibit A is a copy of the Response. The copy of the response includes a certificate that certifies the Response was sent by facsimile on May 17, 2004. The Certificate of Mailing dated May 17, 2004, was signed by Brendan J. Hanley, acting counsel for the Applicant. The Certificate of Mailing is found on the transmittal letter and the last page of the Response.

Exhibit B is a copy of the "Auto-Reply Facsimile Transmission" that indicates that the Patent Office received this Response on May 17, 2004, which included a total number of eight (8) pages. The "Auto-Reply Facsimile Transmission" indicates that the Response and the fax cover sheet were included as enclosures and received by the PTO.

Since Applicant did indeed properly respond, within the time limits prescribed under 37 CFR 1.134, to the Office Action, Applicant respectfully requests that the Office withdraw the holding of abandonment, enter the Response and preliminary amendment, and continue prosecution of the above referenced application.

The Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 50-0372.
